

# 13<sup>th</sup> Annual Mount Clemens Ice Carving Show

## February 2<sup>nd</sup> - February 4, 2018

### Sponsorship Form

Come and join us in celebrating the Mount Clemens Bicentennial in 2018. Help honor the City's 200 years of rich history by sponsoring an ice sculpture for the 13<sup>th</sup> Annual Mount Clemens Ice Carving Show to be held on Friday, February 2 through Sunday, February 4, 2018. **Live ice carving** will go on throughout the show, making this ice show unique in all of Southeastern Michigan!

With your partnership, we can tell our story of our history through the ice carvings. Walk down memory lane and learn more about our great City and some of its notable accomplishments.

Last year's show had over 45 sculptures. With your generous sponsorship, we can continue to expand this popular wintertime event for our community and make it the best show yet.

We hope that you will support this great winter tradition that brings new visitors and shoppers into our Downtown. Businesses, property owners, retail stores, and even individuals are encouraged to be sponsors. For \$250, each participant will have a sculpture professionally carved. This fee will cover all of the expenses that are related to the Mount Clemens Ice Carving Show including:

- Ice Sculpture (original block of ice before carving measures 10" X 20" X 40")**
- Stand to hold the Sculpture**
- Event Advertising**
- Press Releases sent out to all Metro Detroit media outlets**
- Signage Listing Sponsor of Ice Sculpture and a location map**
- Printed Listings of Ice Sculpture Sponsors**

Additional blocks of ice to create larger ice sculptures may be purchased for \$195 each.

To create the best visitor experience, please note that ice sculptures will be congregated in the vicinity of Macomb Place, Cherry Street Mall, Walnut and New Streets. This set-up is to bring a density of sculptures for our visitors. Maps of the Downtown showing where each sculpture is located will be available at the carving demonstration station at the Fountain Stage and in all the Downtown businesses.

Checks must be received by the event registration deadline due to ensure ordering of the ice sculptures.  
**For more information, contact Micki Weiss at: 586.431.6788 or the DDA office at: 586.469.4168.**

**YES – WE WANT TO MAKE THIS THE BEST SHOW YET!**

Please indicate if you want a specific design for your ice sculpture. The sculptors recommend "Sculptor's Choice" as it allows for a variety of historic stories, events, and structures from our past to be created in ice.

"Sculptor's Choice" Yes \_\_\_ or No \_\_\_

If No, please describe your business or provide a sample of what is desired.

To support live ice carving throughout the festival, we are willing to have our sculpture to be carved on Saturday. Yes \_\_\_  
All ice sculptures carved on Saturday February 3<sup>rd</sup> will be installed by 4 PM.
